

WHO WE ARE

New Horizons is a program that lets adults learn to play band instruments and participate in a band, even if they have no experience. We're a group of people with similar interests who have fun making music together.

We have 3 bands

BEGINNERS:

Where people with little or no musical experience can learn to read music and develop their musicality

JUNIORS:

For those with some previous musical experience -- even if it's dwelling deep in their subconscious -- can kick start their memories and 'develop their chops'

INTERMEDIATES:

For people who have the basics and want to expand their skills by playing more challenging music in a larger ensemble

LATE TO LEARN TO
MAKE MUSIC

WHY YOU SHOULD JOIN

- ♪ You're looking for a new activity to enrich your life
- ♪ You've always wanted to play a musical instrument but never had the opportunity
- ♪ You used to play an instrument but it's been gathering dust in the closet for the past 20+ years.
- ♪ You want to astound your children and grandchildren with new-found skills.
- ♪ You're tired of being the audience. You want to be the STAR!

I CAN'T READ MUSIC

No problem! The beginner program starts with the basics and all groups get personal attention from skilled directors. Beginners are integrated into the two other bands -- junior and intermediate -- as they are ready. You progress at your own speed.

I DON'T HAVE AN INSTRUMENT, AND WHAT WOULD I PLAY?

Join us at our Fall Open House. We'll let you try a variety of instruments. Find out which instrument you like. Once you know what you want to play, music stores around the city rent instruments at reasonable rates. You can try out rental instruments and then buy at your leisure.

I'M TOO OLD

You're never too old for New Horizons. If you're an adult and want to play, you're welcome.

IS IT EXPENSIVE?

Band fees for the year are \$240. For that, you get music, opportunities to perform and the direction of accomplished band directors. You provide your own instrument and music stand. Fees for students enrolled in post-secondary institutions and under 30 years of age discounted 50%.

DO I HAVE TO PERFORM?

We perform several times during the year at a variety of venues. (Invite your children: after all, you had to go to their school concerts!)
